2024/2025

Welcome to The Swan!

We are delighted to welcome you to The Swan, advocates of having a good time and greatly celebrating those special moments.

A huge congratulations on your engagement - whether it was recent or you have been together for what seems like forever, we are so excited to start this journey with you...

Tie the knot in your favourite season

We are very lucky to be situated in the Lake District with stunning surroundings come rain or shine (or even snow!).

If you have always dreamed of a cosy autumnal gathering or a winter wonderland spectacular then we are here to make it happen.

In spring the grounds come alive with wildflowers and summer gives us clear, warm evenings. There is really no other way to describe it, but breathtaking!

The ceremony

You have the choice of having your ceremony in our elegant Ball Room, or romantic Barn. Either is the perfect space for that most important moment of the day. The ballrooms' original Georgian window fills the room with natural light and with the views of River Leven it makes the most beautiful background for your ceremony snaps.

Likewise the Barn hosts a fairy lit backdrop to where you will be taking your vows, on a raised platform looking over your nearest and dearest, a truly dreamy rustic setting

Whilst you are having your last few photos and perhaps a tearful moment with your closest loved ones (happy tears only please!), your guests can enjoy a drink at the bar or outside on the terrace, catching up with friends and family.

Our dedicated Master of Ceremonies will then guide your guests to through once it is time for the ceremony to start.

Cheers to the happy couple!

You did it! So let's party!

It is time for that well-earned celebratory drink and enjoy the moment together as newly-weds. It really is one to cherish for the rest of your lives, so make sure you take it all in!

If weather permits, you will be able to enjoy a few glasses of bubbly on the lawn in front of the river, soaking up the sunshine.

If your wedding is during the colder months, what about a mulled wine by the fire for that extra wintery touch, or a seasonal cocktail to accompany canapés?

The river Leven

Not only do we have stunning and romantic indoor spaces but we are lucky enough to have the beautiful Newby Bridge right on our doorstep. It really is the grand entrance to the hotel and provides great photo opportunities!

You can also take a romantic stroll along the river towards our marina and step out onto the little jetties for dreamy pictures. Quirky boathouses and by-passing swans on the water creates the perfect scenery to your wedding album shots.

The wedding breakfast

After you and your guests have had a tippie or two and captured all those gorgeous wedding photos, you will be welcomed to sit for the main meal of the day.

Your wedding breakfast will either be situated in the elegant, rustic Barn area or our beautiful ballroom overlooking the River Leven.

For us, food is at the heart of every celebration, but that doesn't have to mean a traditional wedding breakfast.

At The Swan our wedding menus are made with Soul, and we have delicious sample menus available for you to choose from.

The Barn

The Barn can seat a maximum of 80 guests on round tables or approx 50 on long tables - a rustic, warm and elegant space for you to enjoy your wedding breakfast.

Let's dance!

Once your meal has come to an end, your guests can then lounge and relax. Here you can enjoy a hot drink to finish off the meal or if you fancy another tippie, the bar is open too.

The Club Room holds space for a live band or DJ and its impressive and romantic interior sets the scene for a magical atmosphere.

Swirl around the dancefloor to your first song as a married couple and invite your guests to put their dancing shoes on to get the evening party going!

The Ball Room will be a great space for guests who just want to have a chat and a drink and enjoy a late-night snack - essential fuel for dancing the night away!

Getting that beauty sleep!

We have rooms that suit all guests from cosy double rooms to extravagant suites and we accommodate families too. Our rooms and suites are all individually designed with fabulous wallpapers, soft furnishings and picture-perfect views of the river and gardens.

As part of the package the happy couple will get the best room available for their wedding night. This could perhaps be a Loft suite or if you'd like to hide away from the everyday of the hotel, you can sneak off and stay in The Love Nest. A cottage just for two.

Before the wedding why not book one of The Nests for a longer break - our lovely self-catering cottages situated in the hotel grounds. Perfect for the bridal party to enjoy together, with plenty of space to get ready for the wedding!

The Love Nest

An exquisite studio cottage custom designed just for two, nestled away in the grounds of the hotel. Bright, airy & spacious, private terrace with Outdoor fireplace, super king bed and roll-top bath.

The Loft Suites

Our luxurious loft suites are truly breathtaking, with freestanding baths, wooden beams and skylight windows, they truly are all unique.

We have the cosy, lovely and fabulous loft suites and each one is original as the next!

*We hope that you have fallen
in love with us....*
